About Trolion Apps Inc.:

Trolion is a well-funded, fast-growing Location Based Services start-up in the Los Angeles Area. We provide a unique marketing platform that empowers merchants to reach receptive customers in real time, and implement dynamic and targeted marketing campaigns. Trolion already has a rapidly growing network of merchants and potential clients ready to utilize our value added marketing solutions. **There is room for advancement within the company; the current pay for Team Leader (Management) positions that are available starts at \$30 per hour**

So if you can sell something you believe in, and would like to lead the charge to keeping business local, write us a line to HR@TroLion.com. Looking forward to hearing from you.

*****We are strong believer in social contributions and CSR initiatives*****
